**Come meet
indikon
BoatWorks at
the Newport,
RI. BoatShow,
Sept. 17- 20th, booth located at**

North Commercial Wharf, N-10

[indikon BoatWorks](#) enters the 2015 boat show season independent and strong, with an expanding list of industry partners, new design elements, and the knowledge that our 44' motorsailer and 44' powercat, designed by Morrelli & Melvin is the best boating solution to deliver the promise of "Speed, Comfort, and Efficiency".

The indikon k4 motorsailer, designed by [M&M](#) fulfills the boating marketplace demand for a vessel that can go faster and further, consuming less fuel, and with greater comfort, utilizing blended propulsion. The indikon [k4](#) is the only vessel that offers the unique capability to sail when the wind is right, and power when the wind is not.

Come learn about our proprietary onboard coaching technology "[indikruise](#)" that will assist any k4 owner, regardless of sail or power experience, to operate the vessel at peak sail trim and engine efficiency, in all boating conditions.

The indikon [p4](#) powercat was designed in response to the boating public's demand for a sleek, contemporary, fuel efficient powercat platform. Powered by Volvo Penta's twin D3 diesels and driving Morrelli & Melvin designed hulls, the p4 promises to deliver the best in fuel efficiency, ride comfort, and speed. A choice of D3 horsepower ratings is available for owners.

The indikon BoatWork's catamarans will be built in the USA.

indikon BoatWorks' Todd Berman will be speaking at 3 seminars during the [Newport Boat Show](#) on the subject of "Blended Propulsion". Seminar dates and times are: Thursday Sept. 17 @ 2-3 PM, Friday Sept 18 @ 12:30- 1:30 PM and 3- 4 PM. Make sure to attend!

indikon BoatWorks will be displaying at the Morrelli & Melvin booth, located on the North Commercial Wharf, Space N-10.

We hope to see you there; come talk to us about all the exciting new developments at indikon BoatWorks!

To request a Full Color Brochure and/or Full Specifications Documents on the innovative indikon k4 motorsailer or p4 Powercat, please email: [indikon BoatWorks General Manager](#) or call: 1-860-395-8297
